QUESIONNAIRE
ADMISSION TO PROFESSIONAL STANDING

Agricultural Education Department
CAFES
University of Wisconsin-River Falls

Instructions

The Department of Public Instruction requires applicants for admission to programs leading to a certificate or license to teach or requiring field placement, i.e. student teaching, to complete the following questionnaire. Falsification or omission of information relevant to these questions may constitute grounds for denying you admission to the program. Further, after you have submitted the questionnaire, while your application is being considered or while you are a student in a program, if circumstances occur that would change any responses, you must inform the school of the changed responses.

An affirmative response to an item does not necessarily mean that you will be denied admission. You will be contacted to explain the circumstances leading to the affirmative response. In addition, the Agricultural Education Department may request information from appropriate sources. If necessary, your consent to obtain this information will be obtained.

The Agricultural Education Department will take the information provided and obtained into account in determining whether to admit you to professional standing, to postpone admission or to place special conditions on you or to provide special accommodations.

In the event you are denied admission to the program based on your responses to the questions below, you have the right to appeal that decision. Notice of the grievance procedure will be forwarded to you in the event of a denial. A copy of the grievance procedure is also available in all departmental and program offices.

Questions

NAME _____

STUDENT ID _____

1. Have you ever been admitted to, then withdrawn from or asked to withdraw from or been dropped from a student teaching or other intern/practicum program? _____ Yes _____ No
