Whereas, there are several initiatives and services that Student Senate has supported over the years, and

Whereas, traditionally these initiatives would be funded through the state, and

Whereas, the state has been unable to fund these initiatives, forcing student to pay for them, and

Whereas, these initiatives will increase student satisfaction with UW-River Falls,
Therefore be it resolved, the Student Association Student Senate approve funding of the following initiatives:

- Library Resources –
    - With funding, the library will add 15 additional hours a week and will also expand hours during J-Term. Proposed hours would be:
      Sunday Noon to 1:00 am
      Mon – Thurs. 7:45 to 1:00 am
      Friday 7:45am to 7:00 pm
      Saturday 9:00 am to 7:00 pm
    - Purchase additional online journals and reference sources, which will provide 24/7 access to key resources that all students can use anytime, anywhere. Additional sources include; converting print journals to electronic, additional JSTOR modules, New York Times archive, additional online databases, additional online reference sources, and additional document delivery.
- Hagestad Remodeling – funding will provide remodeling in the former Hagestad Student Center to create a true one-stop shop for student services. Once completed, student support operations such as enrollment services, testing services, advising, counseling, and career services can be moved into the building. Students will no longer need to walk around campus trying to find these necessary services; they will all be in one building. This will provide the physical space for a number of the Transition-related services.
- Testing Services – Funding will provide a centralized, dedicated space for testing. Services will include test proctoring, diagnostic testing for students who might have learning disabilities, and tutoring services. Funding will also provide for the addition of an individual qualified in giving and interpreting measures designed to identify academic difficulties (e.g., learning disabilities) and psychological problems (e.g, depression). This will also provide an area for students to take the GRE, GMAT, and other pre-professional exams.
- Undergraduate Research, Scholarly and Creative Activities (RSCA) – Funding will provide additional RSCA opportunities for students and additional resources for student travel to conferences. This experience is a wonderful opportunity for students to work closely with faculty and gain critical RSCA and presentation skills, not only for those students who seek graduate degrees but also for students who seek a career after their Bachelor's degree. RSCA applies to students in any field doing extra projects or work beyond their standard classes.

Be it further resolved, the Student Association Student Senate supports this initiatives on the basis that any final changes in the tuition be approved by the Senate at that time, and

Be it further resolved, Student Senate strongly recommends a committee be formed with representation from students, faculty and staff to advise Senate on any changes to the tuition proposal and this committee will fall under Facilities and Fees, and

Be it further resolved, all proposals will have a four year sunset review, with the exception of the Hagestad remodeling proposal, and will have a five year review process after, and

Be it further resolved, there be a $70 fee cap until the first four year review,

Be it finally resolved, a copy of this motion be sent to Chancellor Don Betz, Vice Chancellor Mary Halada, UW System President Kevin Reilly, and members of the Board of Regents.

Moved by Vice President Brandt
Seconded by President Eggers

X. NEW BUSINESS:

SS0607042

Whereas, there is an interest on campus for the addition of a Military Science Department as well as a campus ROTC program, demonstrated by the students already involved in ROTC through Stout.

Whereas, having to commute is an inconvenience for these students.

And whereas, the program would bring increased funding, diversity, and opportunity to the UW-RF campus.

Be it resolved that the Student Association Student Senate approve the addition of a Military Science Department and ROTC to the UW-RF campus.

Moved by Director Biss
Seconded by Senator Rhyme
Approved by the Legislative Affairs Committee

SS0607043
Whereas the Shared Governance Committee and the Ethics Committee require directors, and

Whereas, Tory Schaaf and Jason Schultz respectively are well qualified to fill these vacant positions,

Therefore be it resolved, the Student Association Student Senate appoint Tory Schaaf as Shared Governance Director and Jason Schultz as Chairmen of the Ethic Committee for the remainder of the 2006-2007 academic year.

Motioned by Vice President Brandt
Seconded by President Eggers

SS0607044

Whereas the United Council is having the Building Unity Conference at UW Parkside on March 30-April 1st, and

Whereas this conference benefits UWRF students, therefore

Be it resolved, the Diversity Awareness Committee will sponsor the UWRF delegation to the conference, and

Be it further resolved, that up to $3,000 for lodging and transportation of the participants to the conference be allocated from the Shared Governance Account.

Motioned by Director Koski
Seconded by Vice President Brandt
