

**INVER HILLS COMMUNITY COLLEGE
COURSE EQUIVALENCY TABLE
(2007-2009 IHCC Catalog/2007-09 UW-RF Catalog)**

This course equivalency table is intended as a guide for program planning at Inver Hills Community College and may be subject to change.

Departmental program information and catalog information may be found on the web:
<http://www.uwrf.edu/catalog>.

Academic advisement at UW-River Falls is provided by the major department. Course substitutions in the major or minor fields must be approved by the major or minor department chair. Course substitutions outside the major or minor (such as General Education, teacher certification requirements, liberal arts requirements) must be approved by the Dean of the College certifying the degree. The four undergraduate colleges at UW-River Falls are the College of Agriculture, Food & Environmental Sciences (CAFES), the College of Arts & Sciences (CAS), College of Business & Economics (CBE) and the College of Education & Professional Studies (CEPS).

A maximum of 72 semester credits may be accepted in total from two-year colleges. To be granted a degree by UW-River Falls, transfer students must meet all graduation requirements and complete a minimum of 30 semester credits at UW-River Falls including at least 6 semester credits in the major area and 3 semester credits in the minor area. The final 15 credits must be earned at UW-River Falls. Most degree programs at UW-River Falls require a total of 120 to 128 semester credits.

The Associate of Arts degree at Inver Hills is considered to satisfy UW-River Falls General Education requirements, except for an upper level Multidisciplinary Inquiry course, which must be taken in the junior or senior year at UW-RF. It may be necessary, however, to take courses to meet specific program requirements, to meet prerequisites for advanced courses or to satisfy state teacher certification requirements. To qualify for the Associate Degree/General Education policy, the AA degree must be earned prior to initial enrollment at UW-River Falls. Career oriented associate degrees, associate of applied science degrees, or other similar associate degree programs do not satisfy General Education requirements. Students with questions about associate degree policies may contact the UW-RF Admissions Office.

For students who do not anticipate completing an Associate of Arts degree, General Education plan sheets have been developed to assist students in selection. See counselors at Inver Hills, the UW-RF Website (<http://www.uwrf.edu>) or contact the UW-RF Admissions Office. **STUDENTS CONSIDERING PROGRAMS IN SOCIAL WORK, TEACHER EDUCATION, OR AGRICULTURE ARE URGED TO CONSIDER TRANSFER AFTER ONLY ONE YEAR AT A COMMUNITY COLLEGE.**

Elementary Education enrollment is limited. Elem Ed students need to apply early (preferably by November 1 for the following Fall Semester) with a minimum 3.0 GPA required. Application priority for other majors is February 1. Later applications are considered until enrollment targets are met. **Secondary education applicants** need a minimum 2.75 GPA. Priority for other majors is a 2.6 GPA. Students with GPA between 2.0 and 2.6 (3.0 if Elem Ed, or 2.75 if secondary ed) are considered on a space available basis. **Limits may be placed** on other majors if needed to stay within program capacity. Consult the UW-RF Admissions Office for current information. **Priority consideration** may be given to students who have completed the English Composition, Speech, Mathematics and Science requirements.
