2. The UWRF/WTCS Early Childhood Education Collaborative Degree Program. This a non-traditional degree program, completed through a combination of distance learning courses and some on-campus courses (weekends and/or summers). For information, see the Outreach and Graduate Studies website (<http://uwrf.edu/ogs/>) and click on the "Transition to Degree in Early Childhood" link. Students may also contact Dr. Gayle Ward, Associate Professor of Teacher Education, (gayle.ward@uwrf.edu), or Linda Onan, Teacher Education Department Outreach, (linda.onan@uwrf.edu).

Students who have completed the AAS degree in ECE, will be awarded credit for general courses (as listed above) and for the following UWRF Teacher Education (TED) courses:

B. TRANSFER FROM THE MPTC VETERINARY TECHNICIAN PROGRAM TO THE UWRF ANIMAL SCIENCE MAJOR

The UWRF Animal Science major has a Veterinary Technology Options. This allows some credit from Veterinary Technician programs which are accredited by the American Veterinary Medical Association to apply toward the UWRF Animal Science major. See the UWRF Animal and Food Science Department website: <http://www.uwrf.edu/animal-science/> or email anfsci@uwrf.edu or phone 715-425-3704 for information. The UWRF advisor for this program is Dr. Larry Baumann in the Animal and Food Science Department.

III. TRANSFER OF OTHER MPTC COURSES

Students with MPTC courses which may be related to UWRF degree programs, but which are not included in the established UWS/WTCS Transfer Agreement or in a program-to-program agreement, may consult the appropriate UWRF academic department. At the discretion of the UWRF department, students may be awarded credit based on individual course review, departmental examination, portfolio development, or other demonstration of proficiency.
