

**NORTH HENNEPIN COMMUNITY COLLEGE COURSE SELECTION GUIDE
COLLEGE OF BUSINESS AND ECONOMICS (CBE) MAJORS**

CBE website: <http://www.uwrf.edu/cbe> Course Catalog: <http://www.uwrf.edu/catalog>

I. General Education and Other University-Wide Requirements: See the North Hennepin CC/UWRF General Education course selection guide. The CBE requires a minimum GPA of 2.25 in General Education courses.

II. For Business Administration or Accounting Majors: Business Administration or Accounting majors must complete lower level course requirements in the major with a minimum GPA of 2.5 before being allowed to enroll in upper level business and accounting courses. The record of transfer students will be evaluated by the CBE after the student is admitted to the University, to determine eligibility to enroll in upper level courses. Lower level requirements for the Business or Accounting major may be met by selecting the following North Hennepin Community College courses:

1. ACCT 2111 (Financial Accounting)
2. ACCT 2112 (Managerial Accounting)
3. BUS 1300 (Legal Environment of Business)
4. BUS 1210 (Managerial Communication) or ENGL 1140 (Business Communications)
5. CIS 1101 and 1102 (Business Computer Systems I & II – need both)
6. ECON 1060 (Principles of Economics: Macro)
7. ECON 1070 (Principles of Economics: Micro)
8. MATH 1130 (Statistics)
9. MATH 1200 or 1221 (Calculus)

III. For Computer Science & Information Systems Majors: Students must complete two semesters of computer programming and one term of data structures (or another course approved by the CSIS Dept) with a minimum GPA of 2.5 for admission to the CSIS major. Due to the changing nature of the computer industry and computer applications, students are advised to consult the CSIS Department with questions about transfer of computer courses. Foundation programming courses (UWRF CSIS 161 & 162) use the JAVA language. The CSIS major has options in Computer Science or Information Systems. Courses which appear to be most directly related to the UWRF CSIS major include:

1. MATH 1200 or 1211 (MATH 1211 required for Computer Science option)
2. CSCI 1130, 1190, 2001, 2002, 2010, 2020
3. MATH 2300 (Required for Computer Science option)

A minor is required for CSIS majors. Students may look for courses applicable to the intended minor.

IV. For Economics Majors: Students must earn a 2.5 GPA in macroeconomics, microeconomics, quantitative analysis (or business calculus) and two semesters of English composition, for admission to the Economics major. North Hennepin CC courses applicable to the UWRF Economics major and supporting courses are:

1. ECON 1060 (Principles of Economics: Macro)
2. ECON 1070 (Principles of Economics: Micro)
3. MATH 1130 (Statistics)
4. CIS 1101 & 1102 (Business Computer Systems I & II – need both)
5. MATH 1200 or 1221 (Calculus)

A minor is required for Economics majors. Students may look for courses applicable to the intended minor.
