

**NORMANDALE COMMUNITY COLLEGE COURSE SELECTION GUIDE
COLLEGE OF BUSINESS AND ECONOMICS (CBE) MAJORS**

CBE website: <http://www.uwrf.edu/cbe> Course Catalog: <http://www.uwrf.edu/catalog>

I. General Education and Other University-Wide Requirements: See the Normandale CC/UWRF General Education course selection guide. The CBE requires a minimum GPA of 2.25 in General Education courses.

II. For Business Administration or Accounting Majors: Business Administration and Accounting majors must complete lower level course requirements in the major with a minimum GPA of 2.5 before being allowed to enroll in upper level business and accounting courses. The record of transfer students will be evaluated by the CBE after the student is admitted to the University, to determine eligibility to enroll in upper level courses. Lower level requirements for the Business or Accounting major may be met by selecting the following Normandale CC courses:

1. ACCT 2251 (Principles of Accounting I)
2. ACCT 2252 (Principles of Accounting II)
3. BUSN 2155 (Legal Environment of Business)
4. BUSN 2254 (Intro Management Information Systems)
5. ECON 2201 (Principles of Microeconomics)
6. ECON 2202 (Principles of Macroeconomics)
7. ENGC 1103 (Business Writing)
8. MATH 1400 or 1510 (Calculus)
9. MATH 1080 or BUSN 2220 (Statistics)

III. For Computer Science & Information Systems (CSIS) Majors: Students must complete two semesters of computer programming and one semester of data structures (or another course approved by the CSIS Dept) with a minimum GPA of 2.5 for admission to the CSIS major. Due to the changing nature of the computer industry and computer applications, students are advised to consult the CSIS Department with questions about transfer of computer courses. Foundation programming courses (UWRF CSIS 161 & 162) use the JAVA language. The CSIS major has options in Computer Science or Information Systems. Courses which appear to most directly applicable to the UWRF CSIS major courses include:

1. MATH 1400 (Survey of Calculus) or 1510 (Calculus I) (MATH 1510 required for Computer Science option)
2. CSCI 1101, 1111, 1203, 2001, 2002, 2021

A minor is required for CSIS majors. Students may look for Normandale courses applicable to the intended minor.

IV. For Economics Majors: Students must earn a 2.5 GPA in macroeconomics, microeconomics, quantitative analysis (or business calculus), and two semesters of English composition for admission to the Economics major. Normandale courses applicable to the UWRF Economics major and supporting courses are:

1. ECON 2201 (Principles of Microeconomics)
2. ECON 2202 (Principles of Macroeconomics)
3. MATH 1080 or BUSN 2220 (Statistics)
4. MATH 1400 or 1510 (Calculus)

A minor is required for Economics majors. Students may look for Normandale courses applicable to the intended minor.
