

**ROCHESTER COMMUNITY & TECH COLLEGE COURSE SELECTION GUIDE
COLLEGE OF BUSINESS AND ECONOMICS (CBE) MAJORS**

CBE website: <http://www.uwrf.edu/cbe> Course Catalog: <http://www.uwrf.edu/catalog>

I. General Education and Other University-Wide Requirements: See the Rochester CC/UWRF General Education course selection guide. The CBE requires a minimum GPA of 2.25 in General Education courses.

II. For Business Administration or Accounting Majors: Business Administration or Accounting majors must complete lower level course requirements in the major with a minimum GPA of 2.5 before being allowed to enroll in upper level business and accounting courses. The record of transfer students will be evaluated by the CBE after the student is admitted to the University, to determine eligibility to enroll in upper level courses. Lower level requirements for the Business or Accounting major may be met by selecting the following Rochester Comm & Tech College courses:

1. ACCT 2217 (Financial Accounting)
2. ACCT 2218 (Managerial Accounting)
3. BTEC 2220 (Business Communications)
4. BTEC 2355 (or BTEC 2350 & 2450 – need both) (Microcomputer Applications)
5. BUS 2227 (Business Law)
6. ECON 2214 (Principles of Microeconomics)
7. ECON 2215 (Principles of Macroeconomics)
8. MATH 1119 or 1127 (Calculus)
9. MATH 2208 or BUS 2212 (Statistics)

III. For Computer Science & Information Systems (CSIS) Majors: Students must complete two semesters of computer programming and one term of data structures (or another course approved by the CSIS Dept) with a minimum GPA of 2.5 for admission to the CSIS major. Due to the changing nature of the computer industry and computer applications, students are advised to consult the CSIS Department with questions about transfer of computer courses. Foundation programming courses (UWRF CSIS 161 & 162) use the JAVA language. The CSIS major has options in Computer Science or Information Systems. Courses which appear to be most directly related to the UWRF CSIS major include:

1. MATH 1119 or 1127 (MATH 1127 required for Computer Science option)
2. COMP 1150, 2233, 2243, 2247
3. MATH 2218

A minor is required for CSIS majors. Students may look for courses applicable to the intended minor.

IV. For Economics Majors: Students must earn a 2.5 GPA or higher in macroeconomics, microeconomics, quantitative analysis (or business calculus), and two semesters of English composition for admission to the Economics major. Rochester Comm & Tech College courses applicable to the UWRF Economics major and supporting courses are:

1. ECON 2214 (Principles of Microeconomics)
2. ECON 2215 (Principles of Macroeconomics)
3. MATH 2208 or BUS 2212 (Statistics)
4. BTEC 2355 (or BTEC 2350 & 2450) (Microcomputer Applications)
5. MATH 1119 or 1127 (Calculus)

A minor is required for Economics majors. Students may look for courses related to the intended minor.
