

**ROCHESTER COMMUNITY & TECH COLLEGE
COURSE EQUIVALENCY TABLE
(2007-08 ROCHESTER CATALOG TO 2007-09 UW-RF CATALOG)**

This course equivalency table is intended as a guide for program planning at Rochester Community & Technical College (RCTC) and may be subject to change.

Academic advisement at UW-River Falls is provided by the major department. Course substitutions in the major or minor fields must be approved by the major or minor department chair. Course substitutions outside the major or minor (such as General Education, teacher certification requirements, liberal arts requirements) must be approved by the Dean of the College certifying the degree (College of Agriculture Food & Environmental Sciences (CAFES), College of Arts & Sciences (CAS) or College of Business & Economics (CBE) or College of Education & Professional Studies (CEPS).

RCTC is a combined community and technical college. Courses in vocational/technical programs are generally not applicable to the UW-RF degree, unless related to the student's degree program and approved by the major/minor department chair and by the Dean of the College certifying the degree.

UW-River Falls operates under the semester system.

A maximum of 72 semester credits may be accepted in total from two-year colleges. A minimum of 30 semester credits must be earned at UW-River Falls to be granted a degree by UW-River Falls, including at least 6 semester credits in the major area and 3 semester credits in the minor area. The final 15 credits must be earned at UW-River Falls. Most degree programs require a total of 120 to 128 credits.

The Associate of Arts degree in Liberal Arts at RCTC is considered to satisfy UW-RF General Education requirements, except for an upper level Multidisciplinary Inquiry course. It may be necessary, however, to take courses to meet specific program requirements, to meet prerequisites for advanced courses or to satisfy state teacher certification or other professional licensure requirements. To qualify for the Associate Degree/General Education policy, the AA degree must be earned prior to initial enrollment at UW-RF. Career oriented associate degrees, associate of applied science degrees, or other similar associate degree programs do not satisfy General Education requirements. Students with questions about associate degree policies may contact the UW-RF Admissions Office.

For students who do not anticipate completing an Associate of Arts degree, General Education plan sheets have been developed to assist students in course selection. See RCTC counselors, the UW-RF Website (www.uwrf.edu) or contact the UW-RF Admissions Office. **STUDENTS CONSIDERING TRANSFER IN TEACHER EDUCATION, SOCIAL WORK OR SOME AGRICULTURE MAJORS ARE URGED TO CONSIDER TRANSFER AFTER ONLY ONE YEAR.**

GPA standards and enrollment limits may be placed on specific majors if needed to stay within program capacity. Consult the UW-RF website (<http://www.uwrf.edu/admissions>) for admission standards and procedures.

**ROCHESTER COMMUNITY & TECH COLLEGE
COURSE EQUIVALENCY TABLE
(2007-08 ROCHESTER CATALOG TO 2007-09 UW-RF CATALOG)**

This course equivalency table is intended as a guide for program planning at Rochester Community & Technical College (RCTC) and may be subject to change.

Academic advisement at UW-River Falls is provided by the major department. Course substitutions in the major or minor fields must be approved by the major or minor department chair. Course substitutions outside the major or minor (such as General Education, teacher certification requirements, liberal arts requirements) must be approved by the Dean of the College certifying the degree (College of Agriculture Food & Environmental Sciences (CAFES), College of Arts & Sciences (CAS) or College of Business & Economics (CBE) or College of Education & Professional Studies (CEPS).

RCTC is a combined community and technical college. Courses in vocational/technical programs are generally not applicable to the UW-RF degree, unless related to the student's degree program and approved by the major/minor department chair and by the Dean of the College certifying the degree.

UW-River Falls operates under the semester system.

A maximum of 72 semester credits may be accepted in total from two-year colleges. A minimum of 30 semester credits must be earned at UW-River Falls to be granted a degree by UW-River Falls, including at least 6 semester credits in the major area and 3 semester credits in the minor area. The final 15 credits must be earned at UW-River Falls. Most degree programs require a total of 120 to 128 credits.

The Associate of Arts degree in Liberal Arts at RCTC is considered to satisfy UW-RF General Education requirements, except for an upper level Multidisciplinary Inquiry course. It may be necessary, however, to take courses to meet specific program requirements, to meet prerequisites for advanced courses or to satisfy state teacher certification or other professional licensure requirements. To qualify for the Associate Degree/General Education policy, the AA degree must be earned prior to initial enrollment at UW-RF. Career oriented associate degrees, associate of applied science degrees, or other similar associate degree programs do not satisfy General Education requirements. Students with questions about associate degree policies may contact the UW-RF Admissions Office.

For students who do not anticipate completing an Associate of Arts degree, General Education plan sheets have been developed to assist students in course selection. See RCTC counselors, the UW-RF Website (www.uwrf.edu) or contact the UW-RF Admissions Office. **STUDENTS CONSIDERING TRANSFER IN TEACHER EDUCATION, SOCIAL WORK OR SOME AGRICULTURE MAJORS ARE URGED TO CONSIDER TRANSFER AFTER ONLY ONE YEAR.**

GPA standards and enrollment limits may be placed on specific majors if needed to stay within program capacity. Consult the UW-RF website (<http://www.uwrf.edu/admissions>) for admission standards and procedures.

VETERINARY TECHNICIAN

The UWRF Animal Science major has a Veterinary Technology Option. This allows some credit from Veterinary Technician programs which are accredited by the American Veterinary Medical Association to apply toward the UWRF Animal Science major. See the department website: <http://www.uwrf.edu/animal-science/> or e-mail anfdsci@uwrf.edu or call 715-425-3704 for information. Credit may be considered differently if student chooses a major other than Animal Science.

**ROCHESTER COMMUNITY & TECH COLLEGE
COURSE EQUIVALENCY TABLE
(2007-08 ROCHESTER CATALOG TO 2007-09 UW-RF CATALOG)**

This course equivalency table is intended as a guide for program planning at Rochester Community & Technical College (RCTC) and may be subject to change.

Academic advisement at UW-River Falls is provided by the major department. Course substitutions in the major or minor fields must be approved by the major or minor department chair. Course substitutions outside the major or minor (such as General Education, teacher certification requirements, liberal arts requirements) must be approved by the Dean of the College certifying the degree (College of Agriculture Food & Environmental Sciences (CAFES), College of Arts & Sciences (CAS) or College of Business & Economics (CBE) or College of Education & Professional Studies (CEPS).

RCTC is a combined community and technical college. Courses in vocational/technical programs are generally not applicable to the UW-RF degree, unless related to the student's degree program and approved by the major/minor department chair and by the Dean of the College certifying the degree.

UW-River Falls operates under the semester system.

A maximum of 72 semester credits may be accepted in total from two-year colleges. A minimum of 30 semester credits must be earned at UW-River Falls to be granted a degree by UW-River Falls, including at least 6 semester credits in the major area and 3 semester credits in the minor area. The final 15 credits must be earned at UW-River Falls. Most degree programs require a total of 120 to 128 credits.

The Associate of Arts degree in Liberal Arts at RCTC is considered to satisfy UW-RF General Education requirements, except for an upper level Multidisciplinary Inquiry course. It may be necessary, however, to take courses to meet specific program requirements, to meet prerequisites for advanced courses or to satisfy state teacher certification or other professional licensure requirements. To qualify for the Associate Degree/General Education policy, the AA degree must be earned prior to initial enrollment at UW-RF. Career oriented associate degrees, associate of applied science degrees, or other similar associate degree programs do not satisfy General Education requirements. Students with questions about associate degree policies may contact the UW-RF Admissions Office.

For students who do not anticipate completing an Associate of Arts degree, General Education plan sheets have been developed to assist students in course selection. See RCTC counselors, the UW-RF Website (www.uwrf.edu) or contact the UW-RF Admissions Office. **STUDENTS CONSIDERING TRANSFER IN TEACHER EDUCATION, SOCIAL WORK OR SOME AGRICULTURE MAJORS ARE URGED TO CONSIDER TRANSFER AFTER ONLY ONE YEAR.**

GPA standards and enrollment limits may be placed on specific majors if needed to stay within program capacity. Consult the UW-RF website (<http://www.uwrf.edu/admissions>) for admission standards and procedures.

VETERINARY TECHNICIAN

The UWRF Animal Science major has a Veterinary Technology Option. This allows some credit from Veterinary Technician programs which are accredited by the American Veterinary Medical Association to apply toward the UWRF Animal Science major. See the department website: <http://www.uwrf.edu/animal-science/> or e-mail anfdsci@uwrf.edu or call 715-425-3704 for information. Credit may be considered differently if student chooses a major other than Animal Science.

**ROCHESTER COMMUNITY & TECH COLLEGE
COURSE EQUIVALENCY TABLE
(2007-08 ROCHESTER CATALOG TO 2007-09 UW-RF CATALOG)**

This course equivalency table is intended as a guide for program planning at Rochester Community & Technical College (RCTC) and may be subject to change.

Academic advisement at UW-River Falls is provided by the major department. Course substitutions in the major or minor fields must be approved by the major or minor department chair. Course substitutions outside the major or minor (such as General Education, teacher certification requirements, liberal arts requirements) must be approved by the Dean of the College certifying the degree (College of Agriculture Food & Environmental Sciences (CAFES), College of Arts & Sciences (CAS) or College of Business & Economics (CBE) or College of Education & Professional Studies (CEPS).

RCTC is a combined community and technical college. Courses in vocational/technical programs are generally not applicable to the UW-RF degree, unless related to the student's degree program and approved by the major/minor department chair and by the Dean of the College certifying the degree.

UW-River Falls operates under the semester system.

A maximum of 72 semester credits may be accepted in total from two-year colleges. A minimum of 30 semester credits must be earned at UW-River Falls to be granted a degree by UW-River Falls, including at least 6 semester credits in the major area and 3 semester credits in the minor area. The final 15 credits must be earned at UW-River Falls. Most degree programs require a total of 120 to 128 credits.

The Associate of Arts degree in Liberal Arts at RCTC is considered to satisfy UW-RF General Education requirements, except for an upper level Multidisciplinary Inquiry course. It may be necessary, however, to take courses to meet specific program requirements, to meet prerequisites for advanced courses or to satisfy state teacher certification or other professional licensure requirements. To qualify for the Associate Degree/General Education policy, the AA degree must be earned prior to initial enrollment at UW-RF. Career oriented associate degrees, associate of applied science degrees, or other similar associate degree programs do not satisfy General Education requirements. Students with questions about associate degree policies may contact the UW-RF Admissions Office.

For students who do not anticipate completing an Associate of Arts degree, General Education plan sheets have been developed to assist students in course selection. See RCTC counselors, the UW-RF Website (www.uwrf.edu) or contact the UW-RF Admissions Office. **STUDENTS CONSIDERING TRANSFER IN TEACHER EDUCATION, SOCIAL WORK OR SOME AGRICULTURE MAJORS ARE URGED TO CONSIDER TRANSFER AFTER ONLY ONE YEAR.**

GPA standards and enrollment limits may be placed on specific majors if needed to stay within program capacity. Consult the UW-RF website (<http://www.uwrf.edu/admissions>) for admission standards and procedures.

**ROCHESTER COMMUNITY & TECH COLLEGE
COURSE EQUIVALENCY TABLE
(2007-08 ROCHESTER CATALOG TO 2007-09 UW-RF CATALOG)**

This course equivalency table is intended as a guide for program planning at Rochester Community & Technical College (RCTC) and may be subject to change.

Academic advisement at UW-River Falls is provided by the major department. Course substitutions in the major or minor fields must be approved by the major or minor department chair. Course substitutions outside the major or minor (such as General Education, teacher certification requirements, liberal arts requirements) must be approved by the Dean of the College certifying the degree (College of Agriculture Food & Environmental Sciences (CAFES), College of Arts & Sciences (CAS) or College of Business & Economics (CBE) or College of Education & Professional Studies (CEPS).

RCTC is a combined community and technical college. Courses in vocational/technical programs are generally not applicable to the UW-RF degree, unless related to the student's degree program and approved by the major/minor department chair and by the Dean of the College certifying the degree.

UW-River Falls operates under the semester system.

A maximum of 72 semester credits may be accepted in total from two-year colleges. A minimum of 30 semester credits must be earned at UW-River Falls to be granted a degree by UW-River Falls, including at least 6 semester credits in the major area and 3 semester credits in the minor area. The final 15 credits must be earned at UW-River Falls. Most degree programs require a total of 120 to 128 credits.

The Associate of Arts degree in Liberal Arts at RCTC is considered to satisfy UW-RF General Education requirements, except for an upper level Multidisciplinary Inquiry course. It may be necessary, however, to take courses to meet specific program requirements, to meet prerequisites for advanced courses or to satisfy state teacher certification or other professional licensure requirements. To qualify for the Associate Degree/General Education policy, the AA degree must be earned prior to initial enrollment at UW-RF. Career oriented associate degrees, associate of applied science degrees, or other similar associate degree programs do not satisfy General Education requirements. Students with questions about associate degree policies may contact the UW-RF Admissions Office.

For students who do not anticipate completing an Associate of Arts degree, General Education plan sheets have been developed to assist students in course selection. See RCTC counselors, the UW-RF Website (www.uwrf.edu) or contact the UW-RF Admissions Office. **STUDENTS CONSIDERING TRANSFER IN TEACHER EDUCATION, SOCIAL WORK OR SOME AGRICULTURE MAJORS ARE URGED TO CONSIDER TRANSFER AFTER ONLY ONE YEAR.**

GPA standards and enrollment limits may be placed on specific majors if needed to stay within program capacity. Consult the UW-RF website (<http://www.uwrf.edu/admissions>) for admission standards and procedures.

COURSE EQUIVALENCY TABLE
(2007-08 ROCHESTER CATALOG TO 2007-09 UW-RF CATALOG)**

This course equivalency table is intended as a guide for program planning at Rochester Community & Technical College (RCTC) and may be subject to change.

Academic advisement at UW-River Falls is provided by the major department. Course substitutions in the major or minor fields must be approved by the major or minor department chair. Course substitutions outside the major or minor (such as General Education, teacher certification requirements, liberal arts requirements) must be approved by the Dean of the College certifying the degree (College of Agriculture Food & Environmental Sciences (CAFES), College of Arts & Sciences (CAS) or College of Business & Economics (CBE) or College of Education & Professional Studies (CEPS).

RCTC is a combined community and technical college. Courses in vocational/technical programs are generally not applicable to the UW-RF degree, unless related to the student's degree program and approved by the major/minor department chair and by the Dean of the College certifying the degree.

UW-River Falls operates under the semester system.

A maximum of 72 semester credits may be accepted in total from two-year colleges. A minimum of 30 semester credits must be earned at UW-River Falls to be granted a degree by UW-River Falls, including at least 6 semester credits in the major area and 3 semester credits in the minor area. The final 15 credits must be earned at UW-River Falls. Most degree programs require a total of 120 to 128 credits.

The Associate of Arts degree in Liberal Arts at RCTC is considered to satisfy UW-RF General Education requirements, except for an upper level Multidisciplinary Inquiry course. It may be necessary, however, to take courses to meet specific program requirements, to meet prerequisites for advanced courses or to satisfy state teacher certification or other professional licensure requirements. To qualify for the Associate Degree/General Education policy, the AA degree must be earned prior to initial enrollment at UW-RF. Career oriented associate degrees, associate of applied science degrees, or other similar associate degree programs do not satisfy General Education requirements. Students with questions about associate degree policies may contact the UW-RF Admissions Office.

For students who do not anticipate completing an Associate of Arts degree, General Education plan sheets have been developed to assist students in course selection. See RCTC counselors, the UW-RF Website (www.uwrf.edu) or contact the UW-RF Admissions Office. **STUDENTS CONSIDERING TRANSFER IN TEACHER EDUCATION, SOCIAL WORK OR SOME AGRICULTURE MAJORS ARE URGED TO CONSIDER TRANSFER AFTER ONLY ONE YEAR.**

GPA standards and enrollment limits may be placed on specific majors if needed to stay within program capacity. Consult the UW-RF website (<http://www.uwrf.edu/admissions>) for admission standards and procedures.
