## II. PROGRAM TO PROGRAM TRANSFER COURSES

### A. WITC TO UWRF COLLEGE OF BUSINESS & ECONOMICS

The following courses have been reviewed and approved by the UW-River Falls College of Business & Economics (CBE) for transfer into CBE degree programs. Students with little computer background will find it useful to take a course in microcomputer applications even though it does not meet a CBE requirement. Similarly, students with weak mathematics background should take mathematics courses to improve their algebra and trigonometry skills, even though they may not be applicable to a UWRF degree. WITC Students who intend to transfer into a CBE major should contact the UWRF CBE before selecting business courses not in this table.

#### B. TRANSFER TO THE COLLEGE OF AGRICULTURE FOOD & ENVIRONMENTAL SCIENCES (CAFES)

Students who complete agriculture related courses may be considered for up to 15 credits toward related programs in the CAFES. Technical credit to be considered for transfer will be determined by CAFES departmental evaluation. The CAFES department will recommend courses to be completed in the student's first and second semester at UWRF. The technical credits will normally be awarded retroactively, at the end of the first or second semester, provided the student demonstrates academic success at by maintaining a 2.25 or better grade point average in UWRF courses.

#### C. TRANSFER FROM THE WITC EARLY CHILDHOOD EDUCATION (ECE) PROGRAM (WISCONSIN TECHNICAL COLLEGE SYSTEM STATEWIDE CURRICULUM)

Students who complete the Associate of Applied Science (AAS) degree in Early Childhood Education (WTCS Statewide Curriculum) after August 1, 2006, may be awarded credit toward either of two programs at UWRF.

1. The UWRF Elementary Education major, with Early Childhood Education minor. This is a traditional, on-campus degree program.
2. The UWRF/WTCS Early Childhood Education Collaborative Degree Program. This a non-traditional degree program, completed through a combination of distance learning courses and some on-campus courses (weekends and/or summers). For information, see the Outreach and Graduate Studies website (<http://uwrf.edu/ogs/>) and click on the "Transition to Degree in Early Childhood" link. Students may also contact Dr. Gayle Ward, Associate Professor of Teacher Education, ([gayle.ward@uwrf.edu](mailto:gayle.ward@uwrf.edu)), or Linda Onan, Teacher Education Department Outreach, ([linda.onan@uwrf.edu](mailto:linda.onan@uwrf.edu)).

Students who have completed the AAS degree in ECE, will be awarded credit for general courses (as listed above) and for the following UWRF Teacher Education (TED) courses:

- TED 211 Educational Psychology – Elementary (5 credits)
- TED 225 Developmental Learning Experiences of Young Children (3 credits)
- TED 330 Infant and Toddler Programs (3 credits)
- TED 340 Pre-Kindergarten Curriculum (3 credits)
- TED 345 Parent Education and Family Development (3 credits)
- TED 400 Supervision and Management of ECE Programs (2 credits)
- TED 405 Early Childhood Special Needs (3 credits)
- TED 410 Early Childhood Language Arts (3 credits)

#### D. OTHER WITC COURSES

Students with WITC courses which may be related to UWRF degree programs, but which are not included in the established UWS/WTCS Transfer Agreement or in a program-to-program agreement, may consult the appropriate UWRF academic department. At the discretion of the UWRF department, students may be awarded credit based on individual course review, departmental examination, portfolio development, or other demonstration of proficiency.
