- NOTES:
- Data was collected from students graduating from September 2001 to August 2002.
 - *Technically Agricultural Education is listed as a College of Agriculture major. However the WI Department of Public Instruction includes these 19 graduates in their education survey, because they are certified teachers.
 - Salary information was obtained from 78 graduates or 40% of the 193 responding. The numbers in parentheses indicate the total number of responses in this category.
