NOTES:

- Data was collected from students graduating from September 2006 to August 2007.
- *Technically Agricultural Education is listed as a College of Agriculture, Food & Environmental Sciences major. However the WI Department of Public Instruction includes these 12 graduates in their education survey, because they are certified teachers.
- Salary information was obtained from 77 graduates or 56% of the 137 employed respondents. The numbers in parentheses indicate the total number of responses in this category.
