NOTES:

- Data was collected from students graduating from September 1999 to August 2000.
- *Technically Agricultural Education is listed as a College of Agriculture major. However the WI Department of Public Instruction includes these 16 graduates in their education survey, because they are certified teachers.
- Salary information was obtained from 84 or 60% of the 140 responding. The numbers in parentheses indicate the total number of responses in this category.
