

Art Department UW-River Falls

<p>All professional education content courses leading to certification shall include teaching and assessment of the Wisconsin Content Standards in the content area.</p>	
<p>In this column, list the Wisconsin Content Standards that are included in this course. The Standards for each content area are found in the Wisconsin Content Standards document.</p>	<p>In this column, indicate the nature of the performance assessments used in this course to evaluate student proficiency in each standard.</p>
<p>UWRF Art Course 309 Gallery Techniques</p>	
<p>1. The program shall develop and assess the prospective teacher's knowledge and skills pertaining to the content of the visual arts and design disciplines and the following:</p>	
<p>1(a) Basic concepts and skills of studio art foundation involving a balance of two-dimensional, three-dimensional, and time-based creative problem solving skills including drawing, painting, printmaking, ceramics, sculpture, craft design, photography, film, video, and related media and processes.</p>	
<p>1(b) Basic concepts and skills of design arts foundations involving a balance of two-dimensional, three-dimensional, and time-based creative problem solving skills including architecture, urban and environment design, product and industrial design, information and communication graphic design, digital photography, film, video, computer imaging, and related media and processes.</p>	
<p>1(c) Basic knowledge and understanding of art and design history, aesthetic theory, and art and design criticism, involving study of the development of past and contemporary art and design forms, contending theories of art and design, and critical methodologies of art and design in Wisconsin, the United States, and the world.</p>	
<p>1(d) Advanced knowledge and skills in selected studio and design areas and in selected art and design history or theory areas including visual production, communication, thinking, understanding, and creating.</p>	<p>Students are required to mount a major exhibition of their art. They design a poster to advertise their show. They write an artist statement and press release about the work on exhibit. They work with 2 to 4 other students to create a collaborative exhibit, often in our University Gallery. The gallery annually records over 20,000 visits by the campus and local community.</p>
<p>1(e) Knowledge and appreciation of at least one discipline related to the visual arts and design including music, drama, dance, or literature.</p>	

Art Department UW-River Falls

2. The program shall develop and assess the prospective teacher's knowledge and skills pertaining to humanistic and behavioral studies relating to art and design including:	
2(a) Sociological, anthropological, and cultural bases of the aesthetic, artistic and design expressions in various cultures and subcultures in Wisconsin, the United States and the world.	
2(b) Psychological and cognitive science bases involving an understanding of individual development and the manner in which aesthetic experience can affect the development of the human personality including application to gifted students and to students with exceptional needs.	
2(c) Philosophical bases related to the human potential for creative expression through art and design.	
3. The program shall develop and assess the prospective teacher's knowledge and skills pertaining to scientific and technological studies relating to art and design including:	
3(a) Physical and natural science bases involving an understanding of the manner in which physical and natural forces can affect aesthetic, artistic, and design development.	
3(b) Technological bases involving an understanding of the manner in which new technologies can affect aesthetic, artistic, and design development.	
3(c) Mathematical bases involving an understanding of the manner in which mathematical thinking can affect aesthetic, artistic, and design development.	
4. The program shall develop and assess the prospective teacher's knowledge of the fields of art and design education including:	
4(a) Basic knowledge and understanding of state and national standards, curricula, and assessments in art and design education.	
4(b) Basic knowledge and understanding of state and national professional organizations, publications and other resources in art and design education.	
(c) Basic knowledge and understanding of state and national policies, guidelines and laws relating to art and design education.
