

Wisconsin Content Standards

APPENDIX C

All professional education content courses leading to certification shall include teaching and assessment of the Wisconsin Content Standards in the content area.

In this column, list the Wisconsin Content Standards that are included in this course. The Standards for each content area are found in the Wisconsin Content Standards document.	In this column, indicate the nature of the performance assessments used in this course to evaluate student proficiency in each standard.
Contemporary theories of communication including its purposes, source, setting, audience, subject, and media.	Three critical and analytical papers on each of three critical methods.
Critical response skills in interpersonal, intrapersonal, and public communication contexts.	Three critical and analytical papers on each of three critical methods.
