NOTES:

- Data was collected from students graduating from September 2000 to August 2001.
- *Technically Agricultural Education is listed as a College of Agriculture major. However the WI Department of Public Instruction includes these 16 graduates in their education survey, because they are certified teachers.
- Salary information was obtained from 88 graduates or 51% of the 172 responding. The numbers in parentheses indicate the total number of responses in this category.
