

Our student group is an organization comprised of students in the School Counseling program at UW-River Falls. It is our goal to involve students in our program in the various activities of school counseling, both at our school and in the surrounding area. All school counseling students are welcome and encouraged to attend meetings and activities. Meeting times and dates do vary. They are held bi-monthly either on Mondays or Tuesdays at 7:30pm and last about an hour. We will send out a notice on the school counseling list serve specifying meeting times, dates, and locations. Please contact Amy at amy.olson@uwrf.com with any questions! We hope to see everyone get involved! Currently, we are proud to be associated with the following activities:

- New Student Meeting: October 22nd, 2009
 - This is a welcoming meeting for all new school counseling students joining our program in the Spring of 2010. Members of our student group will be there to help answer questions.
- Attending the WCA (Wisconsin Counseling Association) 2009 Fall Summit: Saturday, November 7th, 2009
 - This will be held from 8:15am-4:15pm in Wisconsin Rapids, WI.
 - We are planning to attend this summit as a group and encourage anyone to come! There are more details on their website: <http://www.wicounseling.org/>. There is information about joining WCA and registering for the summit. The summit is much cheaper as a member, and first-year membership is FREE for students!
 - If anyone would like to attend and would like help with funding, please attend our next meeting! 10.19.09 at 7:30pm in WEB 123
- Scheduling study sessions for the upcoming Comprehensive Exam
 - The Fall 2009 Comprehensive Exam is December 7th, 2009.
 - A list of students planning to take the exam is currently being compiled. Once we have a list, we will be contacting test-takers about possible dates and times of holding study sessions. We will chose dates and times that accommodate the greatest number of students.
