

Academic Standards Committee

Minutes Sept 11, 2006

Present: Kurt Leichtle, Dawn Hukai, Jim Tangen-Foster, Roark Atkinson, Keith Chavey, Doug Johnson, Dan Vande Yacht, Vicki Hajewski

Absent: Steve Luebke

Visitors: Wes Chapin

Introductions and organization. Reviewed the charge of the Faculty Senate to the committee.

Wes Chapin has informed the chair since the meeting that the committee does not have to provide members to either the General Education or Instructional and Learning Technologies Committees.

Each of the charges was discussed and the committee determined that most were connected to larger issues and thus were more involved. The committee also noted that most were connected to each as well.

The next meeting, September 25 at 11:30 will take up first of the charges—clarifying the repeatability of courses. Other issues which the committee raised were: What was the cut-off for meeting a pre-requisite, would a C- be adequate? What about courses designated as seminars and independent study?

The next meeting will be held in KFA 305
