(Borup/Butler)

Motion passed unanimously.

The committee suggests that all sections of the class be included in the assessment analysis. The art department should be aware of changes that have been made to the outcomes and address these changes in their next report.

New Business: none

Misc. Business: Williams asked the committee to think about a motion to be made regarding ENGL 241, 243 prerequisites in the HF designator. There was some discussion regarding the feedback resulting from the re-approval process. For the time being, the chair will write a letter to the department concerned which will include the committee's comments. Next semester, the committee will establish a protocol for the re-approval process.
