December 4, 2006

General Education Committee

Present: Kayla Anderson, Jenifer Biss, Jennifer Borup, Kelly Browning, Kris Butler, Tracey Gladstone, Karen Klyczek, Don Taylor, Sue Tarr, Brian Schultz, Ian Williams (Chair), Rich Wallace, Ruth Wood.

Guest: Mike Reich

The committee came to order at 10:12 am.

The minutes for December 1 were approved with some corrections.

Chairs Report: Williams is still looking for class schedules. Please send them as soon as possible. There is a request from a faculty member in computer science to consider altering the criteria under goal three for Math to include computational skills. The HIST 201 report has still not arrived and if it hasn't arrived by Thursday, then we will not be meeting on Friday December 8.

New Business: PSYC 201, for re-approval in the M designator.
Motion: Re-approve PSYC 201 for 5 years in the M designator.
(Borup/Wood)
Motion passed unanimously.

Misc. Business: Wood suggested that we might ask for representative student work when departments come to present their information. Although we decided not to include student work, we should add it to the list of items that need consideration. Next semester we need to reconsider the idea that achievement standards need to be set for the General Education Assessment.

The committee adjourned at 11:00 am.
