RE: UW-RF Faculty Senate Motion 2009/2010/17

At the October 7, 2009 meeting of Wisconsin-River Falls Faculty senate, motion 2009-2010/17 was passed and is effective immediately. This motion is forwarded for your action.

A motion from the Executive Committee to standardize faculty compensation for overload classes.

Faculty and instructional academic staff teaching overload courses during Fall and Spring semesters will be compensated at the rate of \$1,500 per course credit or the rate per course credit listed in AP 43 Revised 7 May (or its successor) for faculty teaching courses that meet the minimum class size – whichever is greater.

Note:

1. Colleges at UWRF currently compensate faculty teaching overload courses during fall and spring semesters at different rates per course credit. Some pay \$1,300; others pay \$1,500. This motion standardizes the compensation across the University.
2. Currently, AP 43 Revised 7 May compensates faculty teaching courses that meet the minimum class size at the rate of \$1,430, so the overload rate paid now would be \$1,500 per course credit. If the AP 43 pay rate were to increase by, say, 10% (which has happened before), the rate per course credit would increase to \$1,573. In that case, overloads would be compensated at \$1,573 rather than \$1,500.
