The UW-River Falls Foundation is pleased to accept gifts through Visa or MasterCard. To make a secure credit card gift, please use our gift commitment form or contact us in the UW-River Falls Foundation.

Securities and Stock Gift

Securities gifts are an advantageous way of making a charitable contribution that may positively affect financial, tax, and estate plans. To make a gift of securities or stock, please contact Ann Schwebach in the UW-River Falls Foundation.

Matching Gift

If you or your spouse work for a matching gift company, please remember to request a matching gift application from your company's human resources office, fill it out and send it to the UW-River Falls Foundation.

Memorial and Tribute Gifts

Many alumni and friends make a gift in memory of someone close to them or at a time of recognition and tribute. UW-River Falls Foundation staff will work with you to honor that special person in a meaningful way.

Designating the Use of Your Gift

Your contribution may be designated to the annual fund, which provides assistance for the University's highest priorities and enhance student life experiences. Your contribution may also be designated to the college, department or program of your choice and used in the classroom, the laboratory, or on the playing field. Please indicate your designation when you make your contribution.

Faculty and Staff Gifts

Faculty and staff make an enormous difference by generously supporting all of the colleges, departments, and programs, as well as the annual fund. Every faculty and staff gift, whatever the size, makes a positive impact.

Recognizing our Donors

The UW-River Falls Foundation is extremely grateful to the donors who support the University at annual leadership levels and through planned gifts. Special donor recognition listings are included in publications annually.

Gifts as Part of Your Estate and Financial Plans

Alumni and friends make generous arrangements in their estate and financial plans to support the University's colleges, departments, and programs. Staff is available to confidentially visit about gifts of real estate, personal property, bequests, and life income gifts. The Pension Protection Act of 2006 provides new opportunities (and tax benefits) to consider for your IRA in 2006 and 2007.
