

# Financial Aid Office

## Additional Expense for Study Abroad

Student Name: \_\_\_\_\_

Falcon ID: W \_\_\_\_\_

Students may be able to include additional expenses to their overall cost of attendance for study abroad programs, international travel, or international exchange programs. The Financial Aid Office will determine any additional eligibility for financial aid for participating in a study abroad program. **Completing this form does not guarantee that you will qualify for additional financial aid or that financial aid will cover the cost of the program.** You must have a completed Free Application for Federal Student Aid (FAFSA) for the academic year of the study abroad program to be eligible for any federal or state financial aid. Wisconsin residents will be considered for the Wisconsin Study Abroad Grant.

**The Financial Aid Office will receive a detail of expenses for the study abroad program from the Global Connections Office.**

**Indicate term of program participation:**

- Fall
- J-Term
- Spring
- Spring Break
- Summer (complete either the online summer application or this form – do not need to complete both)

**Study Abroad Program:**

- ITC – International Traveling Classroom
- WIS – Wisconsin in Scotland
- Semester Abroad: Europe
- OTHER: Program name and location: \_\_\_\_\_

**\*\*List name of school or organization if not registering for classes at UW-River Falls.**

If you are participating in a program that you register for classes at another college or university, a Consortium Agreement is required. If you are unsure if the program requires a Consortium, contact the Financial Aid Office or the Global Connections Office.

If you are participating in a program that requires a Consortium, financial aid will not disburse to you until enrollment at the other institution has been confirmed. A Notification of Arrival Form provided by the Global Connections Office is used to confirm enrollment. The Global Connections Office will forward a copy of your completed Notification of Arrival to the Financial Aid Office so that your financial aid can be disbursed.

**IMPORTANT:**

Financial aid cannot be disbursed prior to the beginning of the semester in which you are studying abroad. If you have program **costs that are due prior** to the beginning of your study abroad semester, you are responsible for making arrangements to pay any up-front costs and deposits.
