

## **PED 371, Recreational Field Study Application Process**

- 1.** Find a field study site in consultation with Dr. Tangen-Foster. This process is like a job search process.
- 2.** Complete application process:
  - a. Application form is across from main office or on HHP website. This form needs to be completed by you and signed by the field study site supervisor.
  - b. Write up the expectations and objectives and attach to the application form. you should consult with your site supervisor when writing these.
  - c. Turn documents in to Dr. Tangen-Foster.
- 3.** Once you have satisfactorily completed the application process you will receive a permission number to register for the course

You can register for 1-4 credits.

You can separate credits and take a combination to meet the credits. (i.e. 3 credits at YMCA Camp St. Croix and 1 credit at another site.

Field study can be repeated up to 8 credits.
