

# GIRLS BASKETBALL CAMPS

## SKILLS & DRILLS CAMP

Our **SKILLS & DRILLS CAMP** is especially appropriate for girls still learning the basics of the game of basketball. The young players that need repetition at the fundamentals and require continuous feedback as they learn and experience different areas of the game will have a great experience at this camp. We believe it is important for girls to work with players of similar ability to promote enthusiasm, positiveness and challenge for each player without pushing them too far out of their comfort zone. We strive to create an environment that encourages trying new things! This camp will drive home the critical fundamental skills that every player needs to be successful on the court!

- June 14 to 17 • Girls grades 3 to 9, 9:00 a.m. - 12:00 noon
- Campers grouped by age/skill • \$65 camp fee

## HOOPS CHALLENGE/TEAM CAMP

Our **HOOPS CHALLENGE CAMP** is for girls a little more advanced in their basketball growth. The emphasis will still be on fundamental development, as that is the key to success at any level of the game. There will be an extra emphasis on becoming a better shooter. This camp will continue past the basics and teach offensive and defensive concepts of the game as an individual player and how these concepts determine team success. Along with extensive skill development, campers will participate in discussions covering topics such as strength training, goal setting, leadership and communication with teammates. If you are looking for a challenging camp with a balance of fundamentals, game/team concepts, and the psychological side of the game, this is the camp for you! **It's designed to be for either individuals or TEAMS to attend!**

- July 11 to 14 • Girls grades 7 to 12 • \$225 for resident campers
- \$175 for commuters • \$50 deposit required • Registration Deadline: July 2
