Club Member Activities

The University of Wisconsin-River Falls Falcon Face-Off Club is sharpening its skates in preparation for another winning season of Falcon Hockey. We invite you to join us in the coolest games around. New and continuing members can look forward to plenty of club activities to support the tradition of Falcon Hockey:

- Events to create excitement for Falcon Hockey through community and university involvement
- Fundraising activities to financially support the UWRF Falcon Hockey program
- Social events to meet and mingle with Falcon coaches, players and other hockey fans

The Falcon Face-Off Club is active throughout the year. Meetings are held the first Tuesday of the month in River Falls. In September, the annual golf adventure takes place. Following most Friday night home games, the Falcon Face-Off Club sponsors Overtime Periods - social gatherings of members, coaches, and players at local restaurants.

Members are encouraged to participate in activities. Everyone's involvement, enthusiasm, and ideas are appreciated!
