Training Description

This training is intended for all county, private and tribal foster care coordinators and their supervisors who have been previously trained on the DCF/HFS 56 Administrative Code. The purpose of this workshop is to review only new reference material and changes to Administrative Codes related to foster care licensing.

Objectives:

- 1). Review the reference materials provided;
- 2). Review highlighted changes to DCF 56;
- 3). Discuss questions from the group and licensing scenarios;
- 4). Discuss foster care issues;
- 5). Review the February 2009 eWiSACWIS release for changes to Providers.

Any licensor attending should bring their licensing binder with them. They will be given the documents to replace old items.

Note: Any coordinator who has not had the 2-day training on DCF 56, should go to the state training website at <http://wcwts.wisc.edu/training-calendar/Default.aspx> and register for a 2-day DCF 56 workshop in another partnership instead of this 1 day training.
