## PROJECT DESCRIPTION/GOALS
This project will develop an environmental scan in support of the Strategic Plan.

## DELIVERABLES
1. Report summarizing key findings
2. Warehouse of information that was gathered in the environmental scan process

## PROJECT SCOPE
**In Scope:**
- Review of national, regional and State Policies and economic and demographic trends that may affect the university
- Review conditions that exist at competitor and partner universities and colleges
- Review state and local material
- Review research on environmental impact on universities

## ASSUMPTIONS
- There is a wealth of literature both for higher education and the private sector that can be used.

## MILESTONES
- Launch project & finalize charter
- Complete literature review
- Complete national model review
- Complete regional and statewide review
- Draft summary report
- Project completed

## PROJECT TEAM
**Project Leader:** Glenn Potts  
**Team Members:**  
- Marina Onken  
- Fernando Delgado  
- Katrina Larsen  
- Andriel Dees  
- Blake Fry  
- Debra Allyn
