International Academic Exchange Program
Undergraduate Student X + Y* Dual Degree Agreement
between
University of Wisconsin River Falls
and
Universidad Anáhuac del Sur

In the spirit of the Sister Institution Agreement between the Universidad Anáhuac del Sur (UAS) and the University of Wisconsin River Falls (UWRF), this agreement between the Faculty of the School of Management of UAS and Faculty of the College of Business and Economics of UWRF is entered into to facilitate the exchange of students.

Admission Requirements

Students in good standing from UAS and who are in their second or third year of study at UAS, may apply for admission to UWRF. Students will be screened by the faculty of UAS and recommended to UWRF. Students who successfully complete a minimum of one year (minimum 30 credits) of study of the prescribed curriculum may be awarded a Bachelor of Science in Business Administration by the UWRF.

Students from must submit a complete UWRF/CBE application form and two letters of recommendation from members of the faculty of the School of Management at UAS which refers to the character, maturity, academic ability, and English language skills of the student. The student must submit a letter in English which explains why he/she wishes to study in the United States and states the major they wish to pursue (Business Administration, Economics, Finance, Management, or Marketing). The student must submit an official score report from the Test of English as a Foreign Language (TOEFL). An official score report of the IELTS may substitute. A minimum score of 80 (TOEFL) or 6.5 (IELTS) is required.

For TOEFL scores of 66 – 79 or IELTS 6, the applicant qualifies for conditional admission. The conditional status is removed after a student demonstrates language proficiency either through (1) resubmitting qualifying test scores or (2) successful completion of the English Language Transition (ELT) Program.

*X refers to the number of years of study at UAS before enrolling at UWRF. Y refers to the number of years of study at UWRF. Historically, X has been three years and Y has been one year. However, the values of X and Y may vary between 2+2 and 3+1 because of several factors. These include: 1) a student’s level of English ability upon arrival at UWRF, 2) coursework completed at UAS that can be applied to degree requirements, 3) number of courses taken and successfully completed at UWRF, and the specific academic program entered. In any case the degree requirements at both universities must be met for a dual degree to be awarded.
If all other application requirements are met, the student is admitted on a conditional basis. The student may come to UWRF and enroll in the ELT program to improve English skills. Upon successful completion of the program, the student is given full admission status.

Students must also submit a certified English language copy of UAS transcripts. For admitted students a designated member of the UWRF/CBE Faculty will evaluate the transfer record and determine prescribed curriculum necessary for graduation at the time of admission.

**UWRF Graduation Requirements**

UAS students are expected to meet all graduation requirements for UWRF. Students must meet UWRF course requirements for General Education and their major. The UWRF/CBE will evaluate the UAS transcripts to determine appropriate transfer of credits. Courses required for UAS students to receive the Bachelor of Science degree at UWRF will be determined at the time of admission. Students must earn a minimum of 120 semester credits from UWRF (including the UAS transfer credits). A minimum of 30 credits earned at UWRF with a grade point average of 2.25 in their major and 2.0 overall.
**Course Work**

Actual required courses may vary from student to student depending on major selected and courses transferred from UAS. These courses will be determined at the time of admission to UWRF.

**Admission to UWRF Full-Time MBA**

Students from UAS who successfully complete the Dual Degree X+Y Program will be admitted to the Full-time MBA program at UWRF if they meet admission requirements for the program.

**Program Cost**

Tuition and room and board are the responsibility of the student. These costs may change with each new academic year. The most current costs can be found at [www.uwrf.edu](http://www.uwrf.edu). A tuition waiver is POTENTIALLY available through the UWRF International Study Office.

**Duration of Agreement**

This agreement will be in force for a period of five academic years upon its approval by both parties. It may be renegotiated and extended at any point within that period or any time in the future.
