Transfer Guide from Century College to College of Business and Economics (CBE)

The Minnesota Transfer Curriculum (MnTC) and Associates of Arts (AA) degree will transfer to grant a complete waiver of general education requirements. The following classes do not need to be completed before transferring, but taking these before arriving at UWRF will help you graduate sooner. A GPA of 2.0 or higher is typically required, with a C or higher in the classes listed below:

1. Business Administration (Emphases in Mgmt, Finance, Mktg, Sales or Accounting)

   Century Course
   - ACCT 2020 Financial Accounting
   - ACCT 2025 Managerial Accounting
   - ECON 1021 Macroeconomics
   - ECON 1023 Microeconomics
   - MATH 1025 or ECON 2021 Statistics
   - MATH 1061 College Algebra I
   - BMGT 2051 Legal Envmt of Business
   - CSCI 1020 & 1021 Intro to PC & Spreadsheet Database
   - COMM 1021 Fund. of Public Speaking
   - BMGT 2030 Principles of Mgmt
   - MKTG 2050 Principles of Mktg

   UWRF Course
   - ACCT 231 Principles of Accounting I
   - ACCT 232 Principles of Accounting II
   - ECON 202 Principles of Macroeconomics
   - ECON 201 Principles of Microeconomics
   - ECON 226 or MATH 226 Statistics
   - MATH 146 College Algebra
   - BLAW 265 Business Law I
   - COMS 101 Fund. of Communication
   - MNGT 300 Mgmt & Org Behavior
   - MKTG 310 Principles of Mktg

2. Economics

   Century Course
   - ECON 1021 Macroeconomics
   - ECON 1023 Microeconomics
   - MATH 1025 or ECON 2021 Statistics
   - MATH 1061 College Algebra I

   UWRF Course
   - ECON 202 Principles of Macroeconomics
   - ECON 201 Principles of Microeconomics
   - ECON 226 or MATH 226 Statistics
   - MATH 146 College Algebra

3. Computer Science and Information Systems
   (Emphases in Computer Science or Information Systems)

   Century Course
   - MATH 1061 College Algebra I
   - CSCI 2014 Discrete Structures
   - CSCI 1081 + 1082 Prg Fund, Obj-Ori Prg
   - CSCI 2082 Data Structures
   - CSCI 2005 + 2006 Internet Programming
   - CSCI 2016 Intro Org of Comp Sys
   - CSCI 2050 Database Mgmt Systems

   UWRF Course
   - MATH 146 College Algebra
   - CSIS 161, 162, 235 Prg I & II, Obj-Ori Prg
   - CSIS 237 Data Structures & Algorithms
   - CSIS 225 + 325 Web Development I & II
   - CSIS 355 Computer Org & Assembly
   - CSIS 333 Database Management

3. Data Science & Predictive Analytics

   Century Course
   - MATH 1081 Calculus I
   - MATH 1082 Calculus II
   - MATH 2082 Linear Algebra
   - CSCI 1020 & 1021 Intro to PC & Spreadsheet Database
   - CSCI 1081 + 1082 Prg Fund, Obj-Ori Prg
   - CSCI 2082 Data Structures
   - CSCI 2050 Database Mgmt Systems
   - CSCI 2014 Discrete Structures

   UWRF Course
   - MATH 166 Calculus I
   - MATH 167 Calculus II
   - MATH 256 Linear Algebra
   - CSIS 215 Info Sys for Business Mgmt
   - CSIS 161, 162, 235 Prg I & II, Obj-Ori Prg
   - CSIS 237 Data Structures & Algorithms
   - CSIS 333 Database Mgmt
   - MATH 236 Discrete Math

Summary of Degree Requirements

General Education...........................................................34 cr.
American Cultural Diversity and Global Perspectives.............6 cr.
Business Administration Major........................................45 cr.
Minor/2nd Major/General Electives .................................35 cr.
Credits to Degree..........................................................120 cr.

This academic plan is an example of how students might choose to fulfill program requirements within a period of four years. After consulting with their advisers, students may make other course choices which would meet the program requirements and be more suitable for them.

Business Electives: Choose six (6) credits of 300 level or higher courses from FINC, MKTG, or MNGT (Not including required courses FINC 345, MKTG 310, MNGT 300, MNGT 391 or MNGT 485).

Business Administration Major

Semesters 1-4 show Century College classes. Semesters 5-8 show UW-River Falls classes.

Semester 1 (Fall)
ENGL 1021 Composition I .................................................4 cr.
Math 0070 Intermediate Algebra (If needed) ........................5 cr.
MnTC Course (meet two goal areas) ....................................3 cr.
MnTC Course (meet two goal areas) ....................................3 cr.
Total Semester Credits ...................................................15 cr.

Semester 2 (Spring)
ECON 1023 Microeconomics ..............................................3 cr.
Math 1061 College Algebra I ..............................................4 cr.
COMM 1021 Fund of Public Speaking ..................................3 cr.
MnTC Course ....................................................................3 cr.
MnTC Course ....................................................................3 cr.
Total Semester Credits ...................................................16 cr.

Semester 3 (Fall)
ACCT 2020 Financial Accounting ........................................3 cr.
CSCI 1020 Intro to Personal Computers & Info Systems ........3 cr.
BMGT 2050 Principles of Management ................................3 cr.
BMGT 2101 Principles of Marketing ....................................3 cr.
MKTG 2050 Principles of Marketing ....................................3 cr.
Total Semester Credits ...................................................15 cr.

Semester 4 (Spring)
ACCT 2051 Managerial Accounting .....................................3 cr.
BMGT 2051 Legal Environment of Business ......................3 cr.
CSCI 1021 Spreadsheet & Database Software ....................3 cr.
Math 1025 or Econ 211 Statistics .......................................3 cr.
MnTC Course ....................................................................3 cr.
Total Semester Credits ...................................................15 cr.

Semester 5 (Fall)
CBE 300 Professional Development .....................................1 cr.
FINC 345 Managerial Finance ............................................3 cr.
MKTG 310 Principles of Marketing ....................................3 cr.
Minor/2nd Major/General Elective .....................................9 cr.
Total Semester Credits ...................................................15 cr.

Semester 6 (Spring)
ECON 326 Statistics for Business & Economics ..................3 cr.
BMGT 361 Operations Management ..................................3 cr.
Minor/2nd Major/General Elective .....................................9 cr.
Total Semester Credits ...................................................15 cr.

Semester 7 (Fall)
Business Elective (list below) .............................................3 cr.
Minor/2nd Major/General Elective .....................................12 cr.
Total Semester Credits ...................................................15 cr.

Semester 8 (Spring)
MKTG 485 Strategic Management .......................................3 cr.
Business Elective (list below) .............................................3 cr.
Minor/2nd Major/General Elective .....................................9 cr.
Total Semester Credits ...................................................12 cr.
