M.S.E. Checklist for School Psychology

In the spring of the 2nd program year, school psychology candidates must submit an application for graduation to the Registrar’s Office. The application can be found, completed, and submitted through eSIS. Additionally, at that same time, this checklist (Appendix A) and related attachments must be completed and submitted to the school psychology program director. The program director will review all materials and, if approved, submit your name to the registrar’s office as “eligible for graduation with the M.S.E. degree in school psychology.”
