The following is a summary of work that we currently anticipate in the coming week. This is subject to change due to the many unpredictable factors involved in a project of this magnitude and complexity.

- **Roundabouts** – Stone facing work will hopefully begin at Sixth Street and Second Street.
- **Electrical** – Electricians will continue installing conduit, pull boxes, and pedestals for new street lighting system.
- **Concrete** – Install sidewalks on Sixth Street, Oak Knoll Avenue, and near North Hall.
- **Pavers** – Installation of paver bricks will continue at crosswalks and medians.
- **Black Dirt & Seed** – Contractor will continue with fine grading of disturbed boulevard areas and begin seeding.
- **Bituminous Paving** – Street will be paved from Second Street through Sixth Street with the exception of the area near the steam tunnel at Fourth Street.
- **Steam Tunnel Repair Work** – Steam tunnel will be excavated, top will be removed, and replacement of damaged insulation will begin.
- **Lot Q** – Work on UWRF’s Lot Q reconstruction and expansion project will continue with grading work and water line abandonment.
- **Water Outage** – There will be a water outage affecting Third Street from Walnut to Spring, and possibly Spring Street from Spruce to Third along with Second Street south of Spring. This is tentatively scheduled for Wednesday. Affected properties will be notified of exact date.

THANK YOU FOR YOUR CONTINUED PATIENCE!
