University of Wisconsin-River Falls, Bachelor of Science in Business Administration
Chippewa Valley Technical College, Human Resources Associate Degree

The University of Wisconsin-River Falls (UWRF) and Chippewa Valley Technical College (CVTC) share a goal of facilitating the transfer of student credit from the CVTC Human Resources Associate Degree program into the UWRF Bachelor of Science in Business Administration degree. The purpose of this articulation agreement is to provide the details of the credit transfers and the additional requirements for CVTC transfer students to graduate from UWRF with a BS in Business Administration. This agreement may be amended as necessary to reflect changes in program and general education courses at either institution. Students will be made aware of the current requirements at the time of their enrollment.

CVTC students in the Human Resources Associate Degree program who earn the credits outlined in the left column of the Transfer Guide Table 1 will be awarded the credits detailed in the right column of the table towards the BS in Business Administration from UWRF.

Human Resources Associate Degree students transferring to the BS in Business Administration will complete 65 credits at CVTC and 62 credits at UWRF.

This agreement is effective Fall 2018 and will apply to students in the Human Resources Associate Degree program.
