Memorandum of Agreement

2 + 2 Program

Between Yeungjin College, South Korea and the
University of Wisconsin-River Falls, River Falls, WI USA

This Memorandum of Agreement (MOA) provides for the development of degree pathway programs ("2 years at Yeungjin College + 2 years at University of Wisconsin-River Falls") between Yeungjin College and the University of Wisconsin-River Falls for students enrolled at Yeungjin College.

1. Recruitment of the students and marketing of these degree pathway programs will be conducted by Yeungjin College. Both institutions will collaborate to identify, advise, and admit the students to enable a successful transition between the two institutions.

2. UW-River Falls will work with Yeungjin College to develop degree pathway programs. Yeungjin College will offer up to 60 credits of general education courses in Korea. These credits will be transferable to UW-River Falls upon review. The students will complete the remainder of the credits at UW-River Falls to achieve their undergraduate degrees.

3. When admitted to this program, the students will also be conditionally accepted into UW-River Falls. Yeungjin College will help the students collect the necessary admissions documents with the students submitting the documents to UW-River Falls.

4. When admitted students fulfill the necessary requirements and earn a cumulative GPA of 2.2 (on a 4.0 scale) or higher at Yeungjin College for their first two years, they can transfer to UW-River Falls. On completion of this program, the students will receive an undergraduate degree at UW-River Falls.

5. Students must meet the UW-River Falls English proficiency requirement. Students not meeting the English proficiency requirement will be enrolled in the English Language Transition program.

6. Yeungjin College will assist students with their travel arrangements and inform UW-River Falls of the travel plans. UW-River Falls will provide transportation from the Minneapolis/St Paul, Minnesota airport to campus on designated pick-up days.

7. Students will pay undergraduate tuition, room and board, segregated fees (includes textbook rental), international student fees including health insurance, housing deposit, special course fees, and any other required fees to UW-River Falls.

8. UW-River Falls will administer the immigration process for F-1 visa students and provide international student orientation.

9. UW-River Falls will arrange for suitable room and board/dining options for the study abroad students for which the students will pay the full appropriate fees.
10. UW-River Falls will also invite students to participate in field trips, cultural excursions, and informal gatherings in addition to providing student life activities available to all students.
11. The fee structure for the program will be updated annually and provided to Yeungjin College for use when recruiting students. A best estimate of costs will be provided with students paying the actual charges.
12. Signing this agreement will not diminish the autonomy of either institution, nor will any constraints be imposed by either upon the other, in carrying out this MOA.
13. This MOA will be in force for five (5) years, subject to revision or modification by mutual consent. Either institution may terminate the agreement at any time, although such action would be taken only after mutual consultation in order to avoid any possible inconvenience to all parties. Furthermore, if up until a period of one month prior to the maturity of this document, neither party demonstrates a wish to, in any way, alter the conditions stipulated in the document, then the document will automatically remain valid for the following five (5) year period.
14. Termination of the agreement will not affect the accepted or registered students of this program. They will continue to be protected by the MOA terms until they complete their degree program, which should be done in a reasonable timeframe.
15. This MOA shall take effect when the representatives of both institutions have affixed their signatures to this document.
