Articulation Agreement
between Inver Hills Community College
and University of Wisconsin – River Falls

Statement of Purpose

This agreement has been entered into by Inver Hills Community College and the University of Wisconsin – River Falls to transfer the Associate of Science degree in Exercise Science to the Bachelor of Science degree in Exercise and Sport Science. The purpose of this agreement is to facilitate credit transfer and provide a smooth transition from one related degree program to another. It is further recognized that the attached appendix or appendices shall describe the required Associate of Science degree at Inver Hills Community College for admission eligibility to University of Wisconsin – River Falls in the Bachelor of Science degree in Exercise and Sport Science. This agreement identifies all required and equivalent courses at each institution.

Terms and Conditions of Credit Transfer:

The evaluation and transfer of earned college credits shall be in full compliance with MnSCU policies and all other state and Federal education policies pertaining to undergraduate credit transfer. Current students and graduates, who have earned degrees, certificates or diplomas from Inver Hills Community College shall be eligible for credit evaluation under the terms of this agreement. Program specific requirements and/or required courses are listed for both institutions and defined in Appendix A of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as University of Wisconsin – River Falls students.

- **Associate in Arts degree** transfer students who have completed the Minnesota Transfer Curriculum are exempt from additional lower-division general education courses unless the degree requires program specific lower division general education courses.
- **Associate in Fine Arts (AFA) degree** may be awarded after the successful completion of a program in a designated discipline in fine arts. The AFA degree is designed for transfer to a baccalaureate degree, as specified in an articulation agreement between the partnering institutions.
- **Associate in Science degree** transfer students will transfer the first two years of an articulated baccalaureate degree program.
- **Associate in Applied Science degree** transfer students will transfer the number of credits agreed upon by both sending and receiving institutions as identified in appendix A.
- **Diploma** transfer students will transfer the number of credits agreed upon by both sending and receiving institutions as identified in appendix A.
- **Certificate** transfer students will transfer the number of credits agreed upon by both sending and receiving institutions as identified in appendix A.
- Applicants accepted must fulfill the graduation requirements of the granting institution as identified in appendix A.
Articulation Implementation and Agreement Review

The Chief Academic Officer or designee of the collaborating institutions, shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

This agreement becomes effective on _July 1, 2012_____ and remains in effect until _June 30, 2017_____ unless terminated or amended by either party with prior written notice.

This agreement will be reviewed for renewal _5_ years from today.
