Creative Writing Minor Changes Narrative: The changes (1) add a new course to the minor, ENGL 381, Screenwriting; (2) require 368, Writing Poetry, and 369, Writing Fiction, as the two most important genres but formerly options only; (3) exchange 482, Writing Seminar, for 382, Writing Workshop, because the workshop is viewed as a prerequisite to the seminar; and (4) drops a number of courses as peripheral to the main concerns of the minor.

Hello Marshall,
Thank you for notifying me of the revisions to the Creating Writing minor (involving the removal of ART 235 and ART 335 from possible electives). I acknowledge these changes and have no objection.

Kind regards,
Kaylee

Hi, Robin,

Good luck with the “fog.” (Alex Hathaway, who lived in China and led a book discussion last week, joked that “mist” is another nice name for the pollution.) Otherwise, I hope all is well.

The creative writing professors needed to revise our major and minor to include the new screenwriting course. In the process they made some revisions to the CW minor that affect your department.

The revisions make the minor look more like the major. All of these changes are viewable in the attached.

Essentially, dropped from a list of possible electives are the following

DFT 151 Broadcast Performance I [dropped from minor]
DFT 351 Broadcast Performance II [dropped from minor]
THEA 223 Oral Interpretation of Literature [dropped from minor]
THEA 334 Playwriting [dropped from minor]

Could you write an email to me for the curricular process noting that you are aware of this change?

If I should be asking someone else while you are away teaching, let me know.

Best wishes,

Marshall
