\textbf{Disability Advisory Committee}

- Prepare a short report for the Faculty Senate regarding the effects of recent budget changes and UW System policy changes on disability services at UWRF. Where were we, where are we now, which changes have we undergone that have been valuable and we should keep, which changes have we undergone that are not valuable and we would like to discard in the future, what have we lost that we would like to see returned? Deadline: end of fall semester, 2016.

- Review your committee structure (membership) to reassess the role of student seats in terms of need and whether those seats can realistically be filled. Consider the committee’s history and possible recruitment options if these seats are recommended to be kept. Recruitment options should define clearly the benefits for the students who do participate as well as for the student body overall. Deadline: March 1, 2017.

- Review your committee structure (membership) to recommend any appropriate changes (for eliminated positions like the Assistant to the Chancellor for Equity, Diversity and Inclusion and possible replacements or title changes as appropriate).
