Re: UWRF Faculty Senate Motion 2014-15/64

At the March 4 2015 meeting of the University of Wisconsin-River Falls Faculty Senate, motion 2014-15/64 was passed and is effective immediately. The motion is forwarded to you for your action.

The English Department has investigated a possible test-out/placement score mechanism or process for incoming students that would allow them to obtain credits (e.g. 3-6 credits for general education) for The Communication-Reading and Writing and/or Advanced Communication categories, as a substitute for the removal of the Advanced Communication requirement. The Department has identified a process that will reduce the need for seat requirements by an amount roughly equivalent to that which would occur by relocating the Advanced Communication expectation from General Education to departments. The recommendation is to follow the English Department proposal.
