Re: UWRF Faculty Senate Motion 2015-16/8

The following motion was approved by the Faculty Senate 20-1-0 on September 2, 2015:

A motion from the Executive Committee to amend the Program Prioritization and Program Audit and Review document (page 8) as follows:

The list will be forwarded by the chair to the Provost, who will compile the information and distribute it to all “chiefs” and deans. Each chief/After the information is collated, the PP-PAR Engagement Committee (consisting of the Deans, one program chair from each college, and the Associate Vice Chancellor for Academic Affairs, who serves as chair in a non-voting capacity) will rank all the programs into the six categories, assigning approximately one-sixth to each category. These scores will be reported to the Provost Associate Vice Chancellor for Academic Affairs, who will aggregate them and provide an overall ranking, placing all programs into the six categories, assigning one-sixth to each category. (Note: if an odd number of programs exist that is not divisible by six exactly, it might be the case that one or a couple of categories might each have one more program placed into it/them). This data will be provided to the Program Audit and Review Committee. In years that a program is not “rescored” overall it will retain the score for this factor it earned in the previous cycle.
