Re: UWRF Faculty Senate Motion 2017-18/125

The following motion was approved with 13 in favor, 1 opposed, and 2 abstentions by the Faculty Senate on April 18, 2018:

Motion from the Faculty Compensation Committee (Brenda Boetel, Chair) to approve the following change to 5.1.1.5 Department Chairs Compensation Policy (1):

1) The reassignment and salary amounts for chairs will be based on the Redbook budgeted number of unclassified full-time equivalent (FTE) positions. The reassignment amounts for chairs will be based on the Redbook budgeted number of unclassified full time equivalent (FTE) positions. Departmental chair stipends will be based on the aggregate work force of the department, defined as tenured, tenure-track, and IAS by adding 1) the Redbook-budgeted number of unclassified FTEs, and 2) the three-year average of the IAS-FTE. IAS-FTE will be calculated by summing the total number of credits assigned to IAS within a unit on an annual basis (fall and spring semesters only) and dividing that number by 30, with fractional numbers to be rounded to the nearest whole number. The aggregate work force of the department will be calculated every third year to coincide with regular chair election cycles. In the event that an interim chair is appointed or elected in the middle of this three-year cycle, the
department size shall not be recalculated until that three-year cycle is up and a new election for chair is held. (see 4.1.13 Department Chair).
