Re: UWF R Faculty Senate Resolution 2014-15/2

At the February 18, 2015 meeting of the University of Wisconsin-River Falls Faculty Senate, resolution 2014-15/2 was passed. The motion is forwarded to you for your information.

Whereas the University faces significant budget cuts resulting in loss of positions, courses, and flexibility;

Whereas these cuts and losses will significantly harm the curricula of programs and general education;

Whereas some areas of the university will hire temporary personnel, one example being extension and outreach as well as administrative offices;

Be it resolved that for all temporary openings the primary criteria for filling them will be to maintain the status of faculty and staff of existing programs on the campus to protect the basic curricula of the university protecting the long term integrity of the overall curriculum.
