RE: UW-RF Faculty Senate Motion 2008/2009/33  

At the November 19, 2008 meeting of Wisconsin-River Falls Faculty senate, motion 2008-2009/33 was passed. This motion is forwarded for your action.  

A motion from the Executive Committee to endorse a request from the Faculty Senate of the University of Wisconsin - Oshkosh to ask the Legislative Fiscal Bureau to commission a white paper on the issue of faculty salaries, along the lines of what it did on tuition in January 2007 (Informational Paper #37). This informational paper should compile information and statistic relevant to university funding issues, and specifically faculty salaries.  

It has been suggested that this paper present yearly data from 1995-2008 for the following variables:  

Personnel and Budgeted Salaries  
- total full time tenured and tenure track employees for every 4-year institution  
- total full time equivalent positions filled by non-tenured employees by institution  
- total compensation per full time equivalent position  
- total state contribution to the UW system in dollars and percent of total budget  

Retention and Raises  
- losses of tenured and tenure track employees by school  
- faculty given counteroffers; percent of counteroffers accepted (broken down by school)  
- base salary raises; Wisconsin inflation/cost of living data  

Economic Impact and Operating Capital  
- endowment/permanent operating capital for every 4-year school  
- estimates on positive economic impact to state of UW system for each institution  

Benefits
- health and dental care coverage and premiums
- pension contributions

Comparative Data
- percentage of the state budget appropriated to major sectors (e.g. corrections, university, K-12 instruction, technical colleges, etc.)
- average compensation for full time, permanent technical college employees
- average compensation for professors at universities in comparable state systems (e.g. Michigan, Illinois, and Minnesota).
