RE: UWRF Faculty Senate Motion 2012-13/118

At the April 10, 2013 meeting of the University of Wisconsin-River Falls Faculty Senate, this motion was passed, and it is effective immediately. The motion is forwarded to you for your action.

Motion from the Executive Committee (Wes Chapin, Chair) to adopt the policy that the General Education and University Requirements Committee (Don Leake, Chair) will not approve courses for general education that are unavailable to the entire student body and/or that have pre-requisites, except those that are “internal to the General Education Program” (e.g. that all students must take as part of General Education, such as ENGL 200 requires ENGL 100, or that are designator pre-requisites, such as “must complete GE SBS to take a GE MD course”). This issue will also be referred to AP&P (James Zimmerman, Chair) for review with a request that AP&P report back to the Senate with its recommendations by October 2013.
