HON 371.01, 02, and 03: Honors Service Learning

Honors students may earn Honors credit for any unpaid service work that benefits the community in some way and that does not count toward another class. This class can be taken for one, two, or three credits and is repeatable and graded on a pass/fail basis: HON 371.01 equals 45 hours of volunteer work; HON 371.02 equals 90 hours; and HON 371.03 equals 135 hours. All students must complete a form indicating their plans for the volunteer hours prior to enrolling in the class; the form is available online or in the Honors office (Hagestad Hall 139). At the end of the class, students must have proof of their volunteer hours and must complete a required reflection on the course in order to receive credit. This class will count toward the “Community Engagement” requirement of revised Honors Program or as general honors credits in the old curriculum.
