How Do I Use the Pay Station?

Park and note your space number, then:

1. Press any key to “wake” the unit from power save mode.
2. Using the key pad, enter your space number, then select “1” to pay for parking.
3. Use the keypad to page through the menu, then select the number that shows your length of stay.
4. Insert exact change, cash or use a credit/debit card.
5. Take your receipt with you. The time your parking expires is printed right on the receipt.

There’s no need to take your receipt back to your car. You can add time at any pay station.

For question please contact University Parking, 27 South Hall, 715-425-3333, parking@uwrf.edu.
