The Great Blue Heron has been honored as a symbol of wisdom by many cultures over thousands of years. Several large heron rookeries are found along the St. Croix River today. Native American tradition holds the blue heron as a messenger that teaches self-reliance, an inspiration for us as we work together to create a sustainable future. Native legends tell of wise elders, who, after death, revisit the earth in the bodies of herons.

Our appreciation to Craig Parent, The Parent Company, Stillwater, who designed our inspiring logo.
