Information sessions will give an overview of the Affordable Care Act and the Health Insurance Marketplace with guidelines and tips for signing up online, by phone or by paper application. Enrollment sessions will be offered for applicants needing personal assistance with a certified application counselor when applying for health insurance in the Marketplace.

Assistance is also available for re-enrollment. Those who enrolled in the Marketplace last year will need to re-enroll. It’s important to update personal information and be aware of changes to your coverage, if any.

Sessions supported by:

Don’t pay the penalty for not buying health insurance! Open enrollment through the Marketplace ends January 31, 2016. For 2016, the penalty for not having health insurance will increase to $695 per uninsured adult and $347.50 per uninsured child, or 2.5% of the household income, whichever is higher, with a maximum household penalty of $2085. The penalty will be assessed when you file your 2016 income taxes.
