To Our Shoppers: Food will be provided pre-bagged by our volunteers during our normal operating hours. Upon arriving at the food pantry each person should take a number from the front door. A volunteer will take your name and household composition (number of adults, children, and seniors in the home). Volunteers will then bring approximately 14 days of food out to your vehicle. Shoppers are able to return to the food pantry for additional food every two weeks (curbside service until September 30, 2021).
