FALCON WEEKLY

WEEK OF NOV. 2, 2020 | VOL. 10

Falcon Weekly is a weekly email for students to keep you up to date with the latest happenings at UWRF.

CHANCELLOR’S CORNER

Tuesday, Nov. 3, is the U.S. General Election so if you haven’t already, I want to encourage you to vote. Visit www.uwrf.edu/vote to find everything you need to know about how and where to vote, including how to vote if you happen to be in quarantine or isolation due to COVID-19.

Part of the UW-River Falls mission is to help educate and prepare engaged citizens. Please note, UWRF does not endorse any candidate or political party in connection with any political campaign or election. I encourage you to fulfill your civic responsibility and actively participate in our democracy by voting.

We Are Falcons, and We Vote!

COVID-19 UPDATES

For the latest information, please visit the Falcons Forward webpage.

– Walk-In Testing
  o If you are experiencing symptoms, but do not have a scheduled COVID-19 test appointment, please know there are limited walk-in testing appointments. The most important thing is getting tested. For more information, visit go.uwrf.edu/gettested

– Looking Ahead to Thanksgiving Break
  o Due to periodic testing, there will not be a required testing procedure to return to campus after Thanksgiving as there was after the shelter-in-place. However,
we advise that students try to get tested their first week back to campus because the virus shows up a few days after exposure.
