WEEK OF SEPTEMBER 7, 2020 | VOL. 02
Falcon Weekly is a weekly email for students to keep you up to date with the latest happenings at UWRF.

COVID-19 UPDATES
For the latest information, please visit the Falcons Forward webpage.

COVID-19 Reminders:
- UW-River Falls is offering COVID-19 testing to all current students. To protect our campus community and to help keep your friends and families safe, we strongly recommend testing. Testing is a necessary component of #DOYOURPARTFALCONS.
- Testing is easy and painless! You won’t pay anything (FYI - insurance may be billed so please provide insurance information if you have it).
- If you have symptoms please make an appointment to get tested right away.
- In an effort to keep UW-River Falls safe and to allow us to continuing offering in-person classes, we are also doing random testing of students without symptoms for surveillance purposes, to help stop possible outbreaks. If you receive a text requesting you to make an appointment to get tested, please do so!
  - You can get tested even if you are not experiencing symptoms. Follow these steps:
    ▪ Complete an online screening that asks about symptoms, exposure and general activity data.
    ▪ Schedule an appointment for your COVID-19 test. (The test takes just a few seconds.)
    ▪ On the day of your test, arrive on time at Hagestad Hall (second floor south) and bring your Student ID.
- Testing will be professionally administered and should only take a few
  seconds with results available within about 15 minutes. Depending on the
  results, appropriate information and medical advice will be presented.

  - **COVID-19 Reporting:**
    - Many of you are following the COVID-19 guidelines. Thank you for doing your
      part by holding yourself and others accountable. It takes all of us to ensure the
      health and safety of the campus community. If you see behavior you feel needs
      action, please complete the [COVID-19 Concerns Reporting Form](#).
