Mission Statement
"The men and women of the Greek community of UW-River Falls aim to enrich the lives of its members and communities by promoting scholarship, developing friendships, enabling leadership and promoting service. We are committed to developing engaged citizens who will make a positive impact in their communities and around the world."

Parents Often Ask...

What are the advantages of joining a Fraternity or Sorority?
Attending college is a major life change creating a big transition period for many students. Fraternities and Sororities enable students to meet many people through social events, service projects, recruitment, and leadership programming. These organizations are rooted in founding principles that foster academic achievement, student involvement, community service, and life-long friendships.

Is there a cost for being a member of a Fraternity or Sorority?
Membership in a Fraternity or Sorority does carry a financial commitment. Each chapter is self supporting through dues paid by all members each semester. These dues cover insurance, National/International dues, chapter operating expenses and social functions. Financial obligations will vary from chapter to chapter, so encourage your student to ask questions during the recruitment processes about the financial commitments associated with each organization.

How to get involved?
Women go through a formal recruitment process that takes place at the beginning of the school year. Depending on roster space, Sororities can invite women through an open recruitment process once formal recruitment has been completed. The Fraternities go through an informal recruitment process made up of various events to any student interested in joining. Each organization has their own recruitment and initiation processes that vary in time commitment. For questions contact the Office of Student Life.
Why Go Greek?

Fraternity and Sorority life provides opportunities for leadership, scholastic support, networking, community service, and philanthropy. Fraternity men and Sorority women are some of the most active leaders on campus, and can introduce your student to a multitude of other student organizations and leadership opportunities. Participation in Fraternity and Sorority life is a great way to ensure a well-rounded undergraduate experience.

Scholarship
Academic achievement is a value of the Fraternity and Sorority Community. Members are encouraged to strive for scholarly excellence through incentive programs, study partners, workshops, study hours, and national recognition. Each Fraternity and Sorority maintains internal academic standards that all members are expected to achieve.

Leadership
The Fraternity and Sorority Community offers a variety of leadership opportunities to prepare students for future careers. Members are eligible for elected or appointed positions and committee participation within the chapter. Each chapter is self-governing and relies on the special talents of its members for successful management. Conferences hosted on campus, regionally and nationally, provide members with further opportunities to explore the realm of leadership.

Friendship
The result of Fraternity and Sorority membership is a bond that transcends time and space, a friendship that lasts a lifetime. A fundamental principle of every Fraternity and Sorority chapter is friendship: a brotherhood or sisterhood that one shares through the good times and provides support during the difficult challenges that come with being a college student.

Service
The Fraternity and Sorority Community is committed to participating in community service and philanthropic efforts. Many national organizations have a specific service or philanthropy, such as: Children’s Miracle Network, Special Olympics, Arthritis Awareness, Habitat for Humanity and countless others.
We are excited to welcome you and your student to UW-River Falls. Entering college is an exciting time in a student’s life. College provides amazing opportunities for learning, personal growth, and relationship building. The challenge and rewards of this new life can be enhanced through the fraternity or sorority experience. Fraternities and sororities have been on campus since the 1960’s, and today UWRF is the home to eight Greek-letter organizations.
